Chief, Intelligence Training Division

Weekly Report--10-13 November 1952

1. P.T. VI opened on 10 November with thirteen trainees enrolled. This number included five JOT's and eight Agency personnel (7 from OO, and 1 from OSI).

2. The remodeling work has been proceeding in Wing D, and it is expected to be completed by 17 November. Four Reading Improvement classes are scheduled to start on that date. Currently, the Reading Improvement Branch has two scheduled classes with thirty-eight students each day.

3. Dr. Waterman, DD of the FSI, visited the Reading Laboratory this week to examine the physical layout and obtain information to help in the establishment of the State Department laboratory.

4. The current State Department class will complete its reading training tomorrow. [REDACTED] reports that this has been an "interesting and outstanding class."
